CRICKET RESULTS.

A cricket game replets with startling features was played yesterday at Prospect Park.: the outcome of which caused Brockiyn and Manhattan to change places in the standing of the Metropolitan District Cricket League. Manhattan is now the leader by a small percentage by virtue of having played one more game than their opponents. Both teams failed signally at the bet and the howlers held the advantage.

The West Indians easily defeated the Windwards at Prospect Park, totalling 97 against 44. The game was featured by a noticeable batting effort on the part of N. Shurland, who scored 45 before he was dismissed. Good performances with the ball by S. Alleyne and W. tilbas caused the Windwards to be put out without a single man reaching double figures. Alleyne had the fine record of five wickets for 19 runs, while Gibbs took four wickets at a cost of these.
